Testimoni Alumni **Batch 1**

TAU Professional MBA Program in three words: remarkable, engaging, and challenging, especially for someone with a science background like me. Surprisingly, it was easier than expected, yet the benefits in the workplace are significant. The UB New York professors deliver the contents in such a professional manner, providing real-world examples that are highly relevant to the corporate environment.

Dea Marsendah | PT Biofarma (Persero)

A journey that has truly transformed me both personally & professionally. My time in the Professional MBA program challenged me to think bigger and collaborate across diverse perspectives and push boundaries through engaging classes, the provoking discussions, and invaluable connections.

Nyoman Gede Prawira Negara | PT PLN (Persero)

Learning from international facilitators from the University at Buffalo School of Management (State University of New York), brings us many benefits. Our class sessions are interactive, allowing us to engage with professors, share experiences and exchange ideas with fellow students. We fully support the TAU Professional MBA program, as it greatly benefits both individuals and the companies we work for.

Muhammad Yan Chaidir | PT Bank Mandiri Tbk

A remarkable learning experience with world-class educators and industry experts, including direct mentorship from Dr. Tanri Abeng, MBA, a prominent figure in the Indonesian management landscape. This program expands perspectives and equips future leaders with the necessary skills to succeed nationally and globally as top professionals.

Whisnu Dani Hermawan | PT Kimia Farma Tbk

Testimoni Alumni **Batch 2**

The Professional MBA program at TAU is designed to be highly practical and help us in our daily business activities. It enhances our critical thinking, systematic thinking, business acumen, and leadership skills. With blended learning from both local and international lecturers, the program provides a global perspective, enabling graduates to advance their careers in the professional world.

Muthia Rizka Neldy | PT Pertamina (Persero)

A journey that has truly transformed me both personally & professionally. My time in the Professional MBA program challenged me to think bigger and collaborate across diverse perspectives and push boundaries through engaging classes, the provoking discussions, and invaluable connections.

Muhammad Saiful Ludfi | PT Pelabuhan Indonesia (Persero)

Super awesome! They support me to growing and understanding the lesson with the real conditions that we faced together during some changes in certain period of times that we could agree on. We, as Indonesian citizen, have moved forward in term of human capital and the change function. The lecturers in this college are those with high passion in education.

Saman Tawathi | Kebun Taniku Corp

I'm proud to have earned my MBA from TAU, where the global perspective and international partnerships really expanded how I see business worldwide. The experienced professors shared practical knowledge, and working through case studies really sharpened my skills in solving problems and thinking creatively.

Ikhwanoel | PT Kawasan Berikat Nusantara
